

THE UNIVERSAL HOUSE OF JUSTICE

1992-04-08

To all National Spiritual Assemblies

1 dear b ahá'í f riends,

with sorrowful hearts we have received confirmation of the execution

2 in evin prison in Tehran on 18 march 1992 of mr. bahman Samandarí,
3 member of a distinguished bahá'í family who had been active in the affairs
4 of the bahá'í community. No reason for his execution has been given by
5 the judicial or prison authorities, nor have they disclosed the location of his
6 grave.

7 This tragic surprise is the more shocking for the fact that the whole mat-
8 ter has been shrouded in secrecy. The execution was kept quiet for more than two
weeks; no advance information was given to the family; no subse-quent announcement
about it was made; the news of it was broken to mr.

9 Samandarí's widow only when she attempted to visit him on 5 April, the date given
her by the authorities after they had denied her permission to see him despite her several
previous attempts since his arrest on 17 march. The

10 manner of informing her of his death was to hand her her husband's will,
11 which had been written on 18 march. No death certificate was issued, al-
12 though inquiries by the Samandarí family at the office of the Tehran general

cemetery brought the response that the name of bahman Samandarí had
13 been entered into its records.

14 No official charge or verdict was announced, assiduous inquiries by the

family members producing only a vague indication that mr. Samandarí's

15 execution had to do with his previous arrest four years ago when he and
16 four other bahá'ís were arrested for meeting in his home. At that time, 21
17 october 1987, charges were leveled against him because of his membership
18 in the bahá'í community. he and his fellow prisoners were released on 18
19 december 1987, after the title to mr. Samandarí's home had been turned

20 over to the authorities along with a large sum of money as bail.

The timing and suddenness of the matter and the duplicity on the

21 part of the authorities are also a cause of bafflement. mr. Samandarí was

summoned by the authorities on 17 march ostensibly to receive a docu-

ment from them. on 18 march, the date of his will which was handed to

22 mrs. Samandarí by the evin prison authorities, he was killed. on 20 march 128.1

130 262he was buried. These events took place at the time of the approach of the

131 long public holiday associated with the iranian new year, an obviously in-

132 convenient time for inquiries.

133 it is a source of outrage to the international bahá'í community that after

134 a cessation of executions of bahá'ís for a period of three and a half years,

135 such a brutal act could again be perpetrated against an innocent commu-

136 nity. it belies the position publicly and repeatedly affirmed by the iranian

137 government that bahá'ís are not being persecuted for their religious beliefs.

138 As further details become known, they will be sent to you. . . .
