

THE UNIVERSAL HOUSE OF JUSTICE

1999-11-09

To all National Spiritual Assemblies

1 dear b ahá'í f riends,

2 As the work of the bahá'í world center steadily increases, the universal
3 house of justice, in order to concentrate on matters requiring its direct at-
4 tention, has progressively referred to various departments subjects that can
5 be handled in other ways.

we have been asked to inform you of a new development in this

6 respect. As you may know, in addition to the ongoing responsibil-ity exercised by the
Secretariat of the house of justice, the office of

7 correspondence has been responding to a small percentage of relatively

routine requests and inquiries made to the world center. Arrangements

have now been made for that office to handle a broader range of such

8 correspondence, over its own signature, following policies laid down for this
purpose. The house of justice trusts that these new arrangements

will further improve communication between the world center and the

9 bahá'í world.

communications to the bahá'í world center should continue to be ad-

10 dressed as indicated in the International Bahá'í Directory.

11 with loving b ahá'í greetings,

for Department of tHe secretariat
