

THE UNIVERSAL HOUSE OF JUSTICE

1991-11-26

To the followers of b ahá'u'lláh throughout the world

1 dear b ahá'í friends,

2 on the occasion of the day of the covenant, amidst the dramatic events

within and without the faith which evince an accelerating momentum in

3 the concluding months of the Six year plan, and less than half a year from

4 the beginning of the long-anticipated holy year, we rejoice in conveying

5 this triple announcement to the entire b ahá'í world.

Seven new National Spiritual Assemblies will be formed at riḡván

6 1992: Angola in Africa; greenland in the Americas; and Albania,

the baltic States, bulgaria, hungary and poland in europe. The

7 emergence of the latter five will set a befitting seal on the victorious supplementary T
wo year plan launched at riḡván 1990. in addi-

tion, the National Spiritual Assembly of the congo republic, after

8 a lapse of more than a decade due to political conditions, will be reestablished.

The office of ḡuqúqu'lláh has been established in the holy land

under the direction of the chief T rustee of ḡuqúqu'lláh, the hand

of the cause of god 'Alí-m uḤammad varqá, in anticipation of

9 the worldwide application of the law of ḡuqúqu'lláh next riḡván.

concurrent with this development are the steps being taken by

10 dr. varqá to organize regional and national boards of T rustees of 120.9

123 27puqúqu'lláh, following the example of the board already function-
124 ing in the u nited States.

**At riǎvǎn 1993, immediately following the holy year and during a
period which will witness the holding of the Seventh bahá'í inter-
national convention at the world center, a Three year plan will be
launched. The national goals of this global plan will be set through
consultations between the continental counselors and National**

125 Spiritual Assemblies. The unusual character and rapidity of devel-opments both
inside and outside the faith signify the necessity for

126 a short, flexible plan attuned to the dynamic nature of the times.

This momentous announcement, coinciding significantly with the open-

127 ing of a new term for members of the Auxiliary boards on all continents, is

128 indicative of the fresh flood of divine confirmations pouring upon the cur-rent efforts
of the community of the most great Name in all parts of the

planet. The coincidence demonstrates anew the existence of tremendous

129 challenges and opportunities which must be met, and it calls attention to

130 the vital role to be played by these distinguished servants of the faith in

131 aiding the believers everywhere to attain further heights in the unfolding glory of our
great cause.

132 we are moved to appeal to the followers of bahá'u'lláh in every land,

133 at this critical moment in the destiny of the cause and of humankind,

134 to make a supreme effort to gather the as yet unharvested victories in the

135 fast-fleeting days remaining to the Six year plan. let them do this that they

136 may enter, with a fit sense of triumph, the impending holy year—a period

137 charged with untold significance and pregnant with possibilities for major

138 advances of the faith of bahá'u'lláh, possibilities which can only faintly be

139 imagined as the centenary of h is Ascension draws closer.

our ardent hopes for you all are intermingled with our supplications

140 at the holy Threshold that the blessed beauty may, to an unprecedented

141 degree, rain down upon his loved ones his invigorating, victory-inducing

142 confirmations.

143 with loving Bahá'í greetings,
