

THE UNIVERSAL HOUSE OF JUSTICE

1985-07-04

Dear Bahá'í Friends,

compilation of texts on the subject of Ḥuqúqu'lláh. A copy of this compilation is attached for your information. You may share its contents with the friends under your jurisdiction as you see fit.

430.2 As you are aware, the law of Ḥuqúqu'lláh is not applicable universally. Study of these extracts by the friends in communities where this law is not yet binding will help them to prepare themselves for the day when the House of Justice will decide to apply the law progressively to all communities in the Bahá'í World.

With loving Bahá'í greetings,

DEPARTMENT OF THE SECRETARIAT
