

THE UNIVERSAL HOUSE OF JUSTICE

6 November 2017

To all National Spiritual Assemblies

Beloved Friends,

Conscious of the heavy burden of work resting upon members of the Universal House of Justice, Mr. Gustavo Correa and Dr. Firaydoun Javaheri have, after prayerful consideration as to the best interests of the Cause and in light of their advanced ages, requested permission to relinquish their membership on the Universal House of Justice in accordance with Article V.2.(c) of its Constitution.

The House of Justice has regrettably accepted the resignation of these beloved members, who have served on this Body since 2008 and 2003, respectively. In view, however, of the

imminence of the Twelfth International Bahá'í Convention, we have requested them to remain in office until that time, and to this they have readily agreed.

With loving Bahá'í greetings,

[signed: The Universal House of Justice]
