

THE UNIVERSAL HOUSE OF JUSTICE

1987-12-14

At the conference of representatives for external affairs held in Langenhain last month, a question was raised about Bahá'í relations towards this question which was sent to an individual at the direction of the House of Justice. We have now been requested to send to each of you for your information a copy of that letter dated 23 June 1987. It is enclosed.

With loving Bahá'í greetings,

Department of the Secretariat
