

THE UNIVERSAL HOUSE OF JUSTICE

1999-11-09

To all National Spiritual Assemblies

dear b ahá'í f riends,

As the work of the bahá'í world center steadily increases, the universal house of justice, in order to concentrate on matters requiring its direct attention, has progressively referred to various departments subjects that can be handled in other ways.

we have been asked to inform you of a new development in this

respect. As you may know, in addition to the ongoing responsibility exercised by the Secretariat of the house of justice, the office of

correspondence has been responding to a small percentage of relatively

routine requests and inquiries made to the world center. Arrangements

have now been made for that office to handle a broader range of such

correspondence, over its own signature, following policies laid down for this purpose. The house of justice trusts that these new arrangements

will further improve communication between the world center and the

bahá'í world.

communications to the bahá'í world center should continue to be ad-

dressed as indicated in the International Bahá'í Directory.

with loving b ahá'í greetings,

for Department of tHe secretariat
