

THE UNIVERSAL HOUSE OF JUSTICE

1998-08-19

To all National Spiritual Assemblies

dear b ahá'í friends,

The reference in the rixván 153 b.e. message of the universal house

of justice concerning the importance of the arts has encouraged the friends

in many countries to initiate and pursue activities to use various forms of art in promoting the teaching work. A number of Spiritual Assemblies and

friends also suggested that a compilation on the subject be prepared. This

request was approved by the house of justice and a compilation entitled

The Importance of the Arts in Promoting the Faith has been completed by the research department, and a copy is enclosed herewith. The house of

justice leaves it to your discretion to determine how best its contents may be

shared with the friends under your jurisdiction.

with loving b ahá'í greetings,
