

## THE UNIVERSAL HOUSE OF JUSTICE

1980-09-11

To all National Spiritual Assemblies

Dear Bahá'í Friends,

262.2 An official statement published in Iran in the columns of newspapers of nationwide circulation charges that those executed [the seven martyrs of Yazd] were guilty of spying and subversion and denounces the Local Spiritual Assembly of Yazd as an instrument of espionage. These accusations are nothing but downright falsehood. ...

262.3 Recently the world press has carried several excellent articles written by fair-minded and well-known non-Bahá'í writers in support of our beloved Faith. Le Monde of Paris in its 29 August issue published a remarkable article earnestly defending the Bahá'í community in Iran.
