9□and mr. peter vuyiya have been appointed as counselor members of the international Teaching center.

in addition, ill health has sadly made it impossible for dr. chellie Sundram to continue his services as a counselor for Asia, dr. iraj Ayman and mrs. Thelma khelghati have been compelled by circumstances beyond their control to leave, respectively, the continents of Asia and Africa in which they were serving, and mr. Adam Thorne has had to resign, for personal reasons, from the continental board of counselors for europe. we wish first to express our profound appreciation of the contributions these dear friends have made to the advancement of the cause of god during their years of service as counselors, and we pray that the blessings of bahá'u'lláh will surround them in all they undertake in the future.

we now have great happiness in announcing the appointment of the following believers as continental counselors:

Africa: mr. g eorge Allen and mr. h izzaya h issani

The Americas: mr. gustavo correa, mrs. jacqueline delahunt and

dr. william r oberts

Asia: d r. kim m yung-j ung and mrs. Shantha Sundram

Australasia: mrs. v iolette h aake

Europe: mr. patrick o'm ara, mrs. elisabeth mühlischlegel and

dr. Shapoor rassekh.

furthermore, as two of the counselors now appointed to the interna-
tional Teaching center had been T rustees of their respective continental
funds, we now appoint counselor peter mclaren to be T rustee of the con-
tinental fund in the Americas, and counselor ben Ayala to be T rustee in
Australasia.

As was abundantly apparent at the time of the Sixth international bahá'í
convention and in the meetings of the counselors which followed, the
bahá'í world has entered on a stage of the greatest importance in its develop-
ment, when the teaching work throughout the world must be in the fore-front of the thoughts of every
ardent follower of bahá'u'lláh. The challenges
and opportunities are great, and are increasing in number with each passing
day. we supplicate the Almighty to grant an unprecedented measure of
divine confirmation to the institutions of his embryonic world order and
to his faithful believers who are laboring for the diffusion of his message in
every region of the globe.

with loving b ahá'í greetings,
