To the followers of Bahá'u'lláh throughout the world

dear Bahá'í friends,

on the occasion of the day of the covenant, amidst the dramatic events within and without the faith which evince an accelerating momentum in the concluding months of the Six year plan, and less than half a year from the beginning of the long-anticipated holy year, we rejoice in conveying this triple announcement to the entire Bahá'í world.

Seven new National Spiritual Assemblies will be formed at Riván

1992: Angola in Africa; Greenland in the Americas; and Albania,

the Baltic States, Bulgaria, Hungary and Poland in Europe. The

emergence of the latter five will set a befitting seal on the victorious supplementary Two year plan launched at Riván 1990. In addition,

the National Spiritual Assembly of the Congo Republic, after

a lapse of more than a decade due to political conditions, will be reestablished.

The office of Puququ'lláh has been established in the holy land

under the direction of the Chief Trustee of Puququ'lláh, the hand

of the cause of God 'Alí-m uẖammad varqá, in anticipation of

the worldwide application of the law of Puququ'lláh next Riván.

Concurrent with this development are the steps being taken by

Dr. varqá to organize regional and national boards of Trustees of 120.9

1986–1992 • The Six Year Plan

2□7 Puququ'lláh, following the example of the board already function-

ing in the United States.

At Riván 1993, immediately following the holy year and during a period which will witness the holding of the Seventh Bahá'í international convention at the world center, a Three year plan will be launched. The national goals of this global plan will be set through consultations between the continental counselors and National

Spiritual Assemblies. The unusual character and rapidity of developments both inside and outside the faith signify the necessity for

a short, flexible plan attuned to the dynamic nature of the times.

This momentous announcement, coinciding significantly with the open-

ing of a new term for members of the Auxiliary boards on all continents, is

indicative of the fresh flood of divine confirmations pouring upon the current efforts of the community of the most great Name in all parts of the

planet. The coincidence demonstrates anew the existence of tremendous

challenges and opportunities which must be met, and it calls attention to

the vital role to be played by these distinguished servants of the faith in

aiding the believers everywhere to attain further heights in the unfolding glory of our great cause.

we are moved to appeal to the followers of Bahá'u'lláh in every land,

at this critical moment in the destiny of the cause and of humankind,

to make a supreme effort to gather the as yet unharvested victories in the

fast-fleeting days remaining to the Six year plan. let them do this that they

may enter, with a fit sense of triumph, the impending holy year—a period

charged with untold significance and pregnant with possibilities for major

advances of the faith of Bahá'u'lláh, possibilities which can only faintly be

imagined as the centenary of his Ascension draws closer.

our ardent hopes for you all are intermingled with our supplications

at the holy Threshold that the blessed beauty may, to an unprecedented

degree, rain down upon his loved ones his invigorating, victory-inducing

confirmations.

with loving Bahá'í greetings,
